RE: Remediation-Public Notice
Rocky River Hydroelectric Facility
200 Kent Road
New Milford, Connecticut

Dear Mr. Crespan:

Apex Companies, LLC (Apex) on behalf of FirstLight Power Resources, LLC (FirstLight) is providing this correspondence to notify you that remedial activities at the Rocky River Hydroelectric generating facility will be initiated within the next 90 days. Remedial activities to be implemented at the facility will involve limited soil removal followed by a monitored natural attenuation groundwater sampling program. Pursuant to CGS §22a-134(a), public notice is being provided regarding initiation of the remedial activities.

A Legal Notice is being published in the February 4, 2011 edition of "The Housatonic Times". The text of the notice is provided below:

Legal Notice

As required by Connecticut General Statutes §22a-134(a), public notice is hereby provided that environmental remediation will be initiated at the Rocky River Hydroelectric generating facility located 200 Kent Road in New Milford, Connecticut. Performance of the remediation will be conducted under the supervision of a Licensed Environmental Professional. For additional information, contact Mr. David B. Sherman of Apex Companies, LLC at (860) 282-1700 or via email at dsherman@apexcos.com.

Additionally, a large sign stating "ENVIRONMENTAL CLEAN-UP IN PROGRESS AT THIS SITE" with the appropriate contact information will be posted at the entrance to the property (see example in photo on next page).
