Dear Marty,

The New Milford Public Library wishes to thank you for the wonderful presentation on the ins and outs of Probate Court last Wednesday evening. Not only did we have some of the attendees come in the next day and comment on what an informative program it was, we had several who were pleasantly surprised at how much simpler you have made the accessibility of the Court. Personally, I learned so much about a subject heretofore unknown to me and I truly appreciated both you and Ms. Buck-Taylor explaining all the issues so very clearly. Thank you very much for taking the time after a very busy and full day to come and share your knowledge.

Best regards,

Sally Tornow
Public Services Librarian
