

**SECTION III INDEX PAGE
DEMOLITION AND PHASE III REMEDIATION PROJECT
CENTURY ENTERPRISE CENTER**

TECHNICAL SPECIFICATIONS

Division 1 – General Requirements

01 10 00	Summary of Work
01 12 00	Site Information
	Historical Drawings (included on separate disk)
	Modified Self-Implementing Phase III PCB Remediation Plan
	TRC Hazardous Material Survey Report
	TRC Drawing C-1: Site Plan
	TRC Drawing C-2: Soil Erosion and Sedimentation Details
	TRC Drawing C-3: Soil Removal Details
01 27 00	Measurement and Payment
01 31 20	Project Meetings
01 33 00	Submittals
01 35 00	Health, Safety, and Emergency Response
01 35 10	Environmental Protection
01 57 00	Erosion and Sediment Control
01 76 00	Preservation and Restoration of Project Features
01 77 00	Contract Closeout

Division 2 – Site Work

02 10 00	Site Preparation
02 12 00	Contaminated Material Remediation
02 12 50	Transportation and Disposal of Contaminated Materials
02 20 00	Survey Control for PCB-Impacted Soil and Concrete
02 31 50	Excavation, Backfilling and Compaction
02 41 00	Demolition
02 61 00	Removal and Disposal of Polychlorinated Biphenyls Soil
02 81 00	Transport and Disposal of Hazardous Materials
02 82 00	Asbestos Abatement
02 83 00	Lead Paint Activity
02 84 00	Removal and Disposal of Polychlorinated Biphenyls
02 90 00	Turf Establishment

Divisions 3–16 - Not Used
