

Section 180-050 Procedure for Approval of Special Permit

The Commission shall hold a public hearing on the application and shall decide thereon, giving notice of its decision as required by the provisions of Section 8-3c of the General Statutes. The applicant may consent in writing to an extension of the time for public hearing and action on the application.

After the public hearing, the Commission may approve a special permit if it shall find that the proposed use and the proposed buildings and structures will conform to the Zoning Regulations and the standards herein specified. All special permits may be approved subject to appropriate conditions and safeguards necessary to conserve the public health, safety, convenience, welfare and property values in the neighborhood.
