### RESERVATIONS AND RIDERSHIP

Transportation is available for seniors and individuals who are ADA-certified to head to the Senior Center, work, shopping, and anywhere within New Milford. To reserve a ride, please call the Center at **860-355-6075** a minimum of three days before you need transportation and you will receive a phone call the afternoon before your bus ride (Friday afternoon for Monday rides), for confirmation and

your pickup time. We require at least 24 hours notice for a change in destination as all "stops" are scheduled accordingly. We ask that bus riders be ready at least 15 minutes before your scheduled pickup time! When you are finished with your appointment and/or have been waiting for more than 15 minutes for your ride, please call the Center. All walkers and canes must be secured and wheelchairs will be secured in appropriate locked positions while onboard the bus. For the safety of yourself and others, please limit yourself to bringing no more than 3-reasonably sized bags of groceries or other goods/belongings that can be easily stored at your feet or on your lap. Bus riders must be able to independently handle/carry your belongings and purchases on and off the bus as the bus drivers are not permitted to handle your personal items and must remain within 3 feet of the bus at all times.

**ADA ACCESSIBILITY** Service animals are welcome on the Senior Center Bus if you travel with a service animal. Pets up to twenty pounds may be transported in carriers designed for that purpose. The Bus Drivers cannot help passengers carry pets. Senior Center busses accommodate all wheelchairs, scooters or other mobility devices up to the maximum physical dimensions and constraints of the bus. Drivers are trained to safely operate wheelchair lifts and secure mobility devices on the bus. Scooter users are asked to transfer to a seat after boarding. Most scooters cannot be tied down as securely as a standard wheelchair and are not designed for use on a moving vehicle. Other mobility devices such as walkers and canes are accommodated and must be appropriately secured. Passengers that have trouble with steps may use the wheelchair lift by request. Respirators and portable oxygen are permitted aboard the bus and must be secured by rider.
