

New Milford Sewer Commission

123 West St New Milford CT 06776

Whom It May Concern,

The Connecticut Department of Energy and Environmental Protection (CT DEEP) has updated the General Permit for the discharge of wastewaters from Significant Industrial Users (SIU) and Non-Significant Industrial Users (NSIU) to Publicly Owned Treatment Works (POTW).

Please review the updated permit at the following links to determine if your facility qualifies and requires a filing with CT DEEP:

Permit <https://tinyl.co/4JxZ> Info & Quick links <https://tinyl.co/4JxX> FAQ <https://tinyl.co/4JzA>

If you currently hold a Miscellaneous Industrial User General Permit (MIU-GP) with the New Milford Water Pollution Control Authority, please be advised that you are required to follow this new permitting or notification process.

If your facility qualifies, please complete the permitting or notification process in accordance with the new permit guidelines. Once the process is complete, you will receive a PDF document from CT DEEP. Please email a copy of this document to **SIU-NSIU@nmwpca.org** within 48 hours of receipt.

Questions contact

DEEP.Pretreatment@ct.gov

Eligible activities under the new permit

Group I Process Wastewaters:

- Commercial laundry wastewater
- Contact cooling and heating wastewater
- Cutting and grinding wastewater
- Food processing wastewater (including breweries and distilleries)
