LEGISLATIVE MORATORIUM

The Town of New Milford, acting by its Town Council does resolve, state and declare as follows:

WHEREAS There are various entities that propose to build and emplace commercial Battery Energy Storage Systems (BESS) in towns within the State of Connecticut; and

WHEREAS The New Milford residents and their elected legislators do not want such commercial facilities built, stored or placed within the Town of New Milford.

NOW, THEREFORE, BE IT RESOLVED THAT:

Commercial Battery Energy Storage Systems, Lithium Battery Storage Facilities and related facilities are hereby prohibited in the Town of New Milford. The prohibition herein stated shall not expire and may only be modified, truncated, or repealed by further legislative action pursuant to affirmative vote of the New Milford Town Council.

Dated this 9 day of February 2026
